MESSAGE FROM THE PRESIDENT

Dear Friends,

Welcome to the 29th Annual Festival in honour of our Lady of the Rosary. I would like to extend a warm and heartfelt welcome to you all on behalf of myself as President of the Association of the Madonna Del Rosario together with the Committee.

Due to the overwhelming success of holding last year's Festival at the Fraternity Club, we will continue to hold the Festival at the Club and wish to thank the Club and the Board for their continued support.

A special thank you to our sponsors for their ongoing support. I would also like to thank our wonderful committee and the numerous volunteers who continue to work tirelessly throughout the year.

We would also like to thank Fr. Angelo Buffolo and the Parish of St. John Vianneys for their ongoing support.

Finally I wish to thank you all as a community for your support to the Association and urge you to continue this support for many years to come. I hope that you all enjoy this year's Festival with family and friends.

Giovanni Crocco

Padre: P. Angelo Buffolo

Anno dopo anno la vita trascorre veloce ed ecco ancora una volta vogliamo celebrare la festa della Madonna del Rosario, protettrice di Falerna, e vogliamo impegnarci perche' la festa riesca bene.

Ma abbiamo imparato la lezione? Mi fa senso constatare lo zelo e la premura con cui si vuole organizzare la festa... niente deve esser lasciato al caso, tutto deve esser programmato ed e' bene che sia cosi'. Si organizza la festa sociale in tutti i suoi particolari, ma cosa facciamo per prepararci spiritualmente? Certamente Maria, la nostra mamma celeste, non e' contenta. La nostra vita spirituale viene facilmente trascurata, la messa alla domenica viene disertata, il ricevere i vari sacramenti viene dilazionato o dettato da qualche circostanza particolare... Ma e' piu' che mai certo che la nostra cara Mamma celeste non e' contenta. La festa della Madonna del Rosario vuole ancora una volta richiamarci ai nostri doveri religiosi. Approfittiamo di questa occasione per metter in luce quella che e' la vera fede. Viviamo in un mondo dove i vari principi morali vengono calpestati, la pace diventa sempre piu' difficile inseguirla, esiste solo il nostro io e il nostro tornaconto. Dobbiamo costruire un mondo migliore e la strada ci viene indicata da Maria, la preghiera del Rosario e' una delle possibili vie. Affidiamoci quindi a Maria, perche' ci porti a Gesu'.

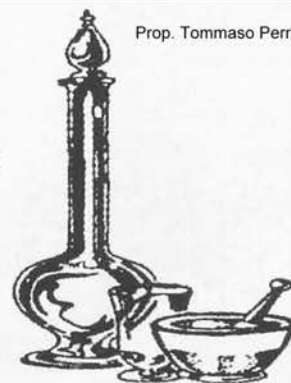

Comunque buona festa e viva Maria, protettrice di Falerna.

Spaghetтата e confettura del diavolo

La «Spaghetтата» è un classico. La confettura di peperoncino è l'ultima creazione degli chef dell'Accademia.

La tradizione si arricchisce di fantasia e creatività moderne.

L'occasione per parlarne viene dal fatto che le due specialità fanno parte del «Pacco piccante» in omaggio per la campagna «Socio chiama socio» che impegna tutti gli accademici da luglio a settembre ed è illustrata in prima pagina.

Con la «Spaghetтата» si preparano in un attimo gli spaghetti aglio olio e peperoncino che tutti conoscono. Il pregio è l'e-

quilibrio degli ingredienti che sono già pronti e ben dosati. Per quattro persone basta mettere in padella un filo d'olio extravergine d'oliva. Il tempo di far riscaldare l'olio e si aggiunge un cucchiaino di «Spaghetтата». Subito dopo gli spaghetti scolati e cotti al dente.

È solo il caso di ricordare che per gli spaghetti aglio olio e peperoncino ci vuole una «buona» compagnia e che è meglio mangiarli dopo mezzanotte. Come consiglia il prof. James Gillette il quale ha scritto testualmente che «una buona spaghetтата a mezzanotte è la

cosa migliore per l'organismo umano».

La confettura invece si può utilizzare in mille modi. Per gli arrostiti ma soprattutto con i formaggi freschi per splendidi antipasti. Gli chef dell'Accademia la propongono anche per un eccezionale dessert. Con un filo di miele e uno spicchio di noce in aggiunta alla ricotta.

Con un pizzico di fantasia può essere utilizzata per fare i bocconotti o per «crostate indiavolate». In questi ultimi due casi l'abbinamento dolce-piccante è veramente strepitoso. Provare per credere.

We are excited to share some news with you...

Left to right: Natalie Hoyle, Karina Zamora, Gerry Cignarella, Karen Hill, Melissa Roach, Nicole Mirams-Harrison

Karen and Gerry in Corrimal, have great pleasure introducing their new name - **helloworld Corrimal**

Formerly trading as Harvey World Travel Corrimal, we are all very excited to be part of this whole new travel experience and we look forward to welcoming you into our refreshed, rebranded store.

We appreciate your ongoing support and as a loyal customer we want you to be one of the first to hear the news about changes to our business. While **helloworld** is a new name, please be reassured that we will offer you the same great service and familiar faces you've come to trust & rely on for the past 30 years. The business will still be locally owned & operated by *Gerry Cignarella & Karen Hill* and the same staff will continue to make up our successful, award winning team. Collectively, our staff have over 90 years retail travel experience and we also have Italian and Spanish speaking travel experts. We are committed to sharing our knowledge, curiosity and experience about travelling the world with you.

These are indeed exciting times & we look forward to seeing you in store soon so that we can talk to you about a whole new travel experience.

We're excited & we're sure you will be too!
